<http://www.tefc.com.au>

It is expressly agreed between the TOP END FLYING CLUB INCORPORATED ("the association") and the student/passenger/pilot that neither the association nor the owners and operators of the airfield MKT nor any individual member or members of the association nor any servant or agent of the association shall in any circumstances be liable for damage to, or loss of property of, the student/passenger/pilot, nor for the personal injury or death of the student /passenger/pilot, nor any financial or other loss or damage suffered by the student/passenger/pilot of whatsoever kind arising or resulting directly or indirectly from any act, neglect or default of the association, the owners and operators of the airfield MKT or any other member or members of the association or its servants or agents , and without prejudice to the generality of the foregoing provisions of this clause, every exemption, limitation, condition and liberty herein contained and every right, exemption from liability, deference and immunity of whatsoever nature applicable to the association shall also be available and shall extend to protect every member, servant or agent of the association and for the purposes of this clause the student/passenger/pilot hereby indemnifies the association, its servants and agents against and all claims arising from any cause whatsoever.

WARNING

Flying in Ultralight aircraft is a high risk activity. Aircraft do not meet Civil Aviation Authority General Aviation standards and are maintained by amateur aircraft maintenance personnel. Pilot training may be conducted by instructors having limited aeronautical and instructional knowledge and experience. Any Person flying in an Ultralight aircraft or participating in any activity carried on by this association, does so entirely at their own risk.

I HAVE READ, UNDERSTAND AND AGREE TO THE ABOVE.
